

# Chestnut Health Systems Services in Jefferson County

Chestnut Health Systems is excited to have been awarded funding by the Jefferson Foundation to address gaps in access to behavioral health services identified in the Foundation's 2018 Community Needs Assessment.

As a comprehensive integrated healthcare organization, Chestnut was honored to be invited and ultimately funded through the Foundation's 2019 Proactive Portfolio Application process.

## Chestnut will be providing the following services:

- **Mental health treatment – including school-based counseling**
- **Medication prescribing**
- **Substance use disorder treatment for adolescents and adults**

**Our award is effective  
September 1, 2019 — September 1, 2022**
